7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The requested funds will be used to supplement the construction costs of the Dr. Joe Lee Smith Center. Currently, the Diamond Square Community Redevelopment Area (DS CRA) located within the City of Cocoa and sharing contiguous boundaries with Census Tract 626 suffers from extreme and pervasive levels of crime, poverty, unemployment, low educational attainment and social and physical distress. The Center would serve as the focal point and nexus for local law enforcement, local non-profit and faith-based service providers to change and alter the cycle of poverty, high crime, and recidivism within the community. The facility currently existing within the DS CRA is intended for recreational purposes directed toward at-risk and youth crime prevention programs only. Guided by research the City believes by effectuating change within the Diamond Square Community Redevelopment Area through the Center for Justice, Cocoa as well as central Brevard County residents, businesses and visitors will benefit from an increased quality of life and lessening of the demand on the criminal justice system.
