7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The City of Parkland is seeking financial assistance with the costs of roadway improvements/reconstruction in a portion of the City known as The Ranches. This is an older area of the City and much of the original use in this area was agricultural. Roads were constructed to meet agricultural needs rather than design standards. In recent years, this area has become more residential in character and the roads have begun to fail. The City is seeking funds to make needed repairs to ensure roadway safety. Once the roadways are resurfaced, they will be included in the City's maintenance plans.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 2,847,567 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
