4	CORRECTIONS, DEPARTMENT OF			
5				
6	From the funds in Specific Appropriations 583 through 771, each provider contracting with the Department of Corrections must provide the department with a proposal prior to the release of funds that details the services that will be delivered, the expected results, and recommended performance measures. The department and each provider must execute a contract before the release of any funds, and the contract documents must include mutually agreed upon performance measures. Each provider must provide quarterly performance reports to the department. Funds shall only be released to providers whose performance reports indicate successful compliance with the performance measures described in the contract.	Identical	From the funds in Specific Appropriations 583 through 771, each provider contracting with the Department of Corrections must provide the department with a proposal prior to the release of funds that details the services that will be delivered, the expected results, and recommended performance measures. The department and each provider must execute a contract before the release of any funds, and the contract documents must include mutually agreed upon performance measures. Each provider must provide quarterly performance reports to the department. Funds shall only be released to providers whose performance reports indicate successful compliance with the performance measures described in the contract.	Senate
7				
8	The Department of Corrections shall develop and use a uniform format and uniform methodologies for the purpose of reporting annually to the Governor and to the Legislature on the state prison system. Such reports shall include a comprehensive plan for current facility use and any departures from planned facility use, including opening new facilities, renovating or closing existing facilities, and advancing or delaying the opening of new or renovated facilities. The report shall include the maximum capacity of currently operating facilities and the potential maximum capacity of facilities that the department could make operational within the fiscal year. The report shall also identify appropriate sites for future facilities and provide information to support specified locations, such as availability of personnel in local labor markets. Reports should include updated infrastructure needs for existing or future facilities. Each report should reconcile capacity figures to the immediately preceding report. For the purpose of this paragraph, maximum capacity shall be calculated and displayed pursuant to section 944.023(1)(b), Florida Statutes. The department may provide additional analysis of current and future bed needs based on such factors as deemed necessary by the Secretary. The next report shall be due January 1, 2016.	Similar	The Department of Corrections shall continue to submit an annual report on the state prison system to the Governor and to the Legislature using a uniform format and uniform methodologies. The report shall include a comprehensive plan for current facility use and any departures from planned facility use, including opening new facilities, renovating or closing existing facilities, and advancing or delaying the opening of new or renovated facilities. Line #	HB 5001 Fiscal Year 2015-2016		SB 2500 1st Engrossed Fiscal Year 2015-2016	Conference House Offer #1
		Different	From the funds in Specific Appropriations 583 through 771 the Department of Corrections may work within its existing budget, including applicable grants, to implement any corrective action plan that is developed as the result of a Prison Rape Elimination Act audit conducted in accordance with Title 23, Part 115 of the Code of Federal Regulations. The department may request additional resources required through the Legislative Budget Request process as defined in chapter 216, Florida Statutes.	Senate
15				
16		Different	The Department of Corrections shall conduct a review of the performance of electronic monitoring devices used to monitor work release inmates and supervised offenders. The review must concentrate on device performance under conditions and in locations that affect the ability of the device to acquire and maintain a GPS signal or to communicate with the electronic monitoring control facility. The review must also examine whether device performance or monitoring protocol requires an offender to move periodically in order to demonstrate that the device has not been altered or removed. The department shall prepare and submit a report of its findings to the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee by November 1, 2015.	House

18	PROGRAM: DEPARTMENT ADMINISTRATION			
19				
20	EXECUTIVE DIRECTION AND SUPPORT SERVICES			
21				
22	595 SPECIAL CATEGORIES			
23	TRANSFER TO GENERAL REVENUE FUND			
24				
25	Funds in Specific Appropriation 595 are from reimbursements from the U. S. Government for incarcerating aliens in Florida's prisons. If total reimbursements exceed \$3,050,000, the department shall submit a budget amendment in accordance with all applicable provisions of chapter 216, Florida Statutes, requesting additional budget authority to transfer the balance to the General Revenue Fund.	Different	Funds in Specific Appropriation 595 are from reimbursements from the United States Government for incarcerating aliens in Florida's prisons. If total reimbursements exceed \$6,300,000, the Department of Corrections shall submit a budget amendment in accordance with all applicable provisions of chapter 216, Florida Statutes, requesting additional budget authority to transfer the balance to the General Revenue Fund.	Senate
26				
27	PROGRAM: SECURITY AND INSTITUTIONAL OPERATIONS			
28				
29	From the funds in Specific Appropriations 621, 633 and 646, a total of \$1,074,362 is provided as payment in lieu of ad valorem taxation for distribution to local government taxing authorities. Funding is provided as follows: \$269,324 for the Bay Correctional Facility, \$339,242 for the Moore Haven Correctional Facility, \$275,560 for the South Bay Correctional Facility, \$100,000 for the Gadsden Correctional Facility and \$90,236 for the Lake City Correctional Facility. These funds may not be distributed if there are outstanding claims for ad valorem taxes due on the property at issue and may not be distributed until the property is reclassified on the real property and tangible personal property rolls as State Government property back to the date the finance corporation or other state entity acquired the title thereto. These distributions shall be adjusted, with respect to any facility, to reimburse the Department of Corrections for the total amounts expended by the state in resisting the imposition of such ad valorem tax claims, including all attorneys' fees and costs actually incurred by the state's agencies.	Identical	From the funds in Specific Appropriations 621, 633 and 646, a total of \$1,074,362 is provided as payment in lieu of ad valorem taxation for distribution to local government taxing authorities. 351	From the funds in Specific Appropriation 794, \$1,500,000 from recurring general revenue funds and \$2,700,000 from nonrecurring general revenue funds shall be used by the Justice Administrative Commission to contract with attorneys to represent dependent children with special needs. Appointment and compensation of a private attorney is pursuant to the provisions of ss. 27.40 and 27.5304, Florida Statutes, except that the Justice Administrative Commission in consultation with the Statewide Guardian Ad Litem Office shall develop the registry of attorneys for appointment of compensated counsel for children with special needs. The Justice Administrative Commission shall provide the registry to the chief judge of each circuit for inclusion in the circuit registry. The flat fee amount for compensation shall not exceed \$1,000 per child per year. The Statewide Guardian Ad Litem Office shall establish minimum criteria for education, experience and training for inclusion on the registry. Funds anticipated to be in excess of those necessary to represent these children may be used to train attorneys to represent these types of children. No other appropriation shall be used to pay attorney fees and related expenses for appointments under s. 39.01305, Florida Statutes. The Justice Administrative Commission may expend up to \$110,000 of these funds for administrative costs.	Different		Senate
