In accordance therewith, the moneys in the following items are authorized to be expended for the enumerated authorized capital outlay projects.	SAME House
	The sum designated for each project is the maximum sum to be expended for each specified phase of the project from funds accruing under section 9(a)(2), Article XII of the State Constitution. The scope of each project shall be planned so that the amounts specified shall not be exceeded, or any excess in costs shall be funded by sources other than this appropriation. Such excess costs may be funded from the Public Education Capital Outlay and Debt Service Trust Fund only as a result of fund transfers pursuant to section 216.292 (4)(c), Florida Statutes. Each project shall be constructed on the site specified. If existing facilities and acquisition of new sites are a part of these projects, each such building and site must be certified to be free of contamination, asbestos, and other hazardous materials before the facility or site may be acquired. The provisions of section 216.301 (2), Florida Statutes, shall apply to all capital outlay funds appropriated from the Public Education Capital Outlay and Debt Service Trust Fund for the Fiscal Year 2016-2017 in Specific Appropriations 19 through 23 and 26 through 28. 14	SECTION 9. The Chief Financial Officer is hereby authorized to transfer, using nonoperating budget authority, \$105,300,000 from the General Revenue Fund to the Public Education Capital Outlay and Debt Service Trust Fund by July 31, 2016.			Senate no language
15	SECTION 10. The unexpended balance of funds appropriated in Section 2, Specific Appropriation 25, of Chapter 2015-232, Laws of Florida, for the Florida School for the Deaf and the Blind shall revert immediately and is appropriated for Fiscal Year 2016-17 to the Florida School for the Deaf and the Blind for Major Renovation to its existing buildings.	SECTION 13. The unexpended balance of funds provided to the Department of Education Florida School for the Deaf and Blind for Koger Hall Construction from the General Revenue Fund in Specific Appropriation 25 of chapter 2015-232, Laws of Florida, is hereby reverted and reappropriated for Fiscal Year 2016-2017 to the Department of Education Florida School for the Deaf and Blind for Gore Hall remodeling.	SECTION 13. The unexpended balance of funds provided to the Department of Education Florida School for the Deaf and Blind for Koger Hall Construction from the General Revenue Fund in Specific Appropriation 25 of chapter 2015-232, Laws of Florida, is hereby reverted and reappropriated for Fiscal Year 2016-2017 to the Department of Education Florida School for the Deaf and Blind for Gore Hall remodeling.	Senate
16	SECTION 11. Pursuant to section 1013.40, Florida Statutes, the specified Florida College System institutions are authorized to acquire or construct the following facilities from non-PECO sources, which could require general revenue funds for operation and maintenance. If existing facilities are part of these projects, each such building or site must be certified to be free of asbestos or other hazardous materials before the stated college may acquire or expend construction funds on the facility. If the property to be acquired is not adjacent to an existing approved center or campus, then all necessary approvals from the State Board of Education must be received before any funds may be expended to acquire the property. 1. Florida Keys Community College - Acquire land/facilities and remodel/renovate facilities for instructional, office, support space and parking, from donations and local funds, as an annex of the State Board of Education approved Main (Key West) Campus. 2. Indian River State College - Acquire land/facilities and construct/remodel/renovate facilities for classrooms, labs, offices, support space, and parking for the State Board of Education approved Main (Ft. Pierce) Campus, Chastain (Stuart) Center, Mueller (Vero Beach) Special Purpose Center, Pruitt (Port St. Lucie) Center, Marine Science Special Purpose Center, Human Development & Resources Special Purpose Center, and the Dixon Hendry (Okeechobee) Center using local funds.	SECTION 9. Pursuant to section 1013.40, Florida Statutes, the specified Florida College System institutions are authorized to acquire or construct the following facilities from non-PECO sources, which could require general revenue funds for operation and maintenance. If existing facilities are part of these projects, each such building or site must be certified to be free of asbestos or other hazardous materials before the stated college may acquire or expend construction funds on the facility. If the property to be acquired is not adjacent to an existing approved center or campus, then all necessary approvals from the State Board of Education must be received before any funds may be expended to acquire the property. 1. Florida Keys Community College - Acquire land/facilities and remodel/renovate facilities for instructional, office, support space and parking, from donations and local funds, as an annex of the State Board of Education approved Main (Key West) Campus. 2. Pursuant to section 1010.62 and section 1013.171, Florida Statutes, and section 11(d) and (f), Art. VII of the State Constitution, the following fixed capital outlay projects may be constructed, acquired, and financed by a university or university direct support organization. Financing mechanisms include any form of approved debt or bonds authorized by the Board of Governors.	
	No state appropriation of funds will be associated with these projects. The Legislature has provided the Board of Governors general authority to consider debt financing for most classes of projects. However, certain athletic and commercial facilities require specific Legislative authorization as a prerequisite condition for these projects. Legislative authorization does not supersede any of the requirements for Board of Governors review and approval of all projects to be financed from debt.
